Dear Sir:

In reference the above mentioned agreement, under Section 7, the Township is to perform the roadway improvements on the north side of the railroad which requires flagging and contractor liability insurance. On behalf of the Township we are requesting that the railroad provide the flagging services and give a quote on the providing the Township with the proper railroad liability insurance needed for this project.

Attached is a copy of our status report as sent to the Illinois Commerce Commission which shows an estimated starting date for the construction of March 1, 2006. Please inform us as who to contact to provide the services requested so we can complete this project in a timely manner.

If you have any questions, please contact Jim Marsaglia of this office or Alex Lyons, Clear Lake Township Road Commissioner, 4260 Old Route 36, Springfield, IL 62707, who has jurisdiction of this roadway.

Sincerely,

Timothy C. Zahrn, P.E.
Sangamon County Engineer

Dear Alex:

In reference the above mentioned agreement, under Section 7, the Township is to perform the roadway improvements on the north side of the railroad which requires flagging and contractor liability insurance. On behalf of the Township we requested that the railroad provide the flagging services and give a quote on the providing the Township with the proper railroad liability insurance needed for this project.

Norfolk Southern Corporation responded and said that they would provide a flagman at an estimated cost of \$500 per day. When you plan to do any work on this project please notify their Decatur Division Office at 217-425-2063 to request a flagman. Also when not working, notify them that a flagman will not be needed.

Before you can begin the Township will need to obtain railroad liability insurance. The railroad said you can contact their Risk Management Division and talk to Scott Dickerson regarding this at 757-629-2364.

Any invoices you receive or costs that the Township incurs can be turned into this office for payment or reimbursement. Please notify us before you plan to start. If you have any questions, please contact this office.

Sincerely,

Timothy C. Zahrn, P.E.
Sangamon County Engineer
